

# **CCR2 ETHOS STATEMENT**

CCR-2 employees serve as role models to their students and community. We understand and accept that our actions impact the image of the district. Therefore, we believe in the following ideas as a commitment to what it means to be a part of the Crawford County R-2 School Family:

- We strive to portray professionalism, reflective of a high level of *character* and *integrity*.
- We strive to display *civility, respect, compassion, & empathy* in our work to ensure a caring environment for all members of our district and community.
- We strive to take *ownership* of our actions and hold ourselves *accountable* as a positive example for our students, colleagues, and community with whom we interact.
- We strive to display a *strong work ethic* that results in growth.
- We strive to represent the district in a positive manner.

Cuba's success depends on the dedicated employees who come together each day with a sense of pride and commitment in being the best for our students and community. Our support for these important commitments will help ensure that our students learn, grow, and thrive in the CCR2 School District.
